6. EMAIL CONTACT METHOD: If you are using email as your contact method, you will see this popup confirming a welcome email has been sent to the selected address.

   If you are using text messaging as your contact method, you will receive an activation code via text. Proceed to #9 for the rest of the activation steps.
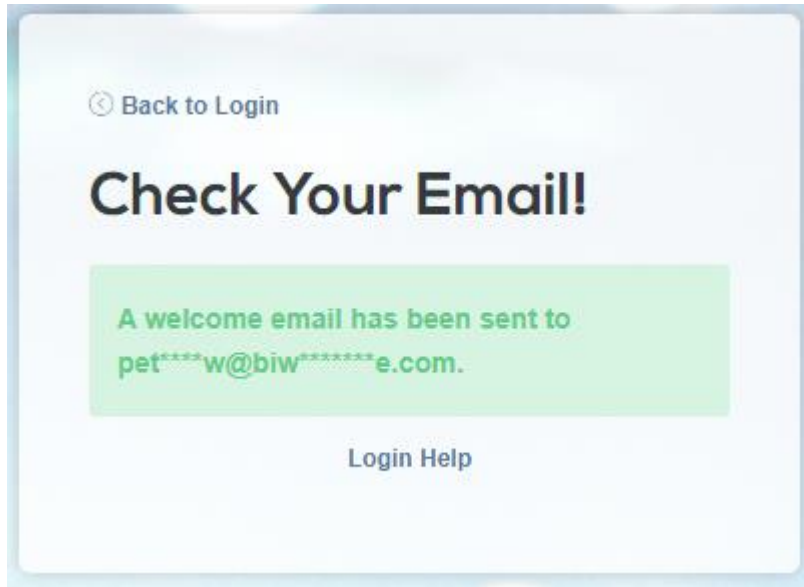

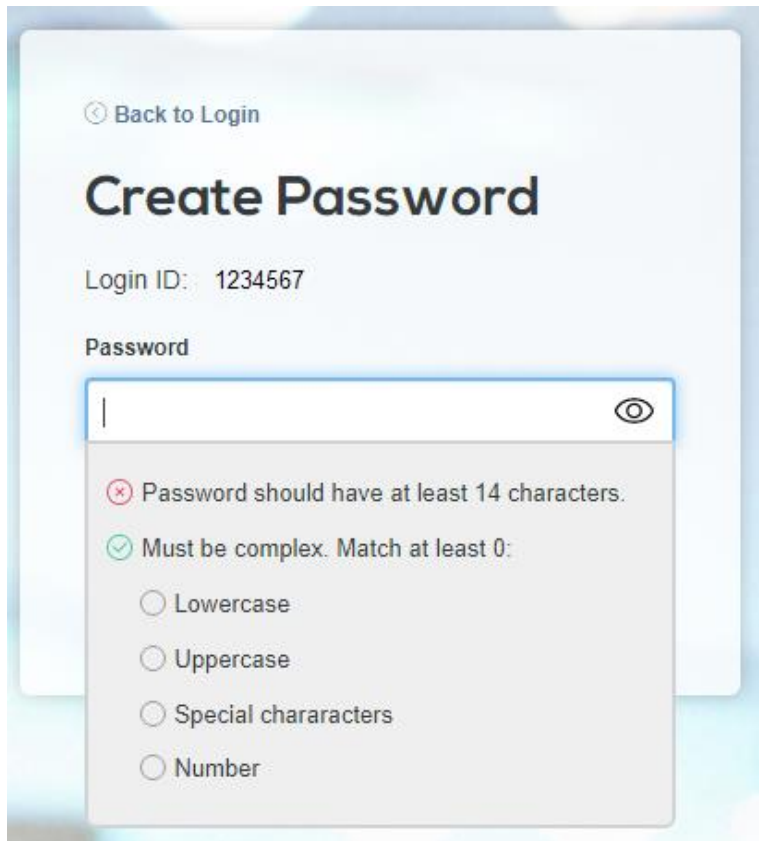

7. Go to your welcome email from Gap Inc. Global Recognition and click on the 'click here to activate your account' link.
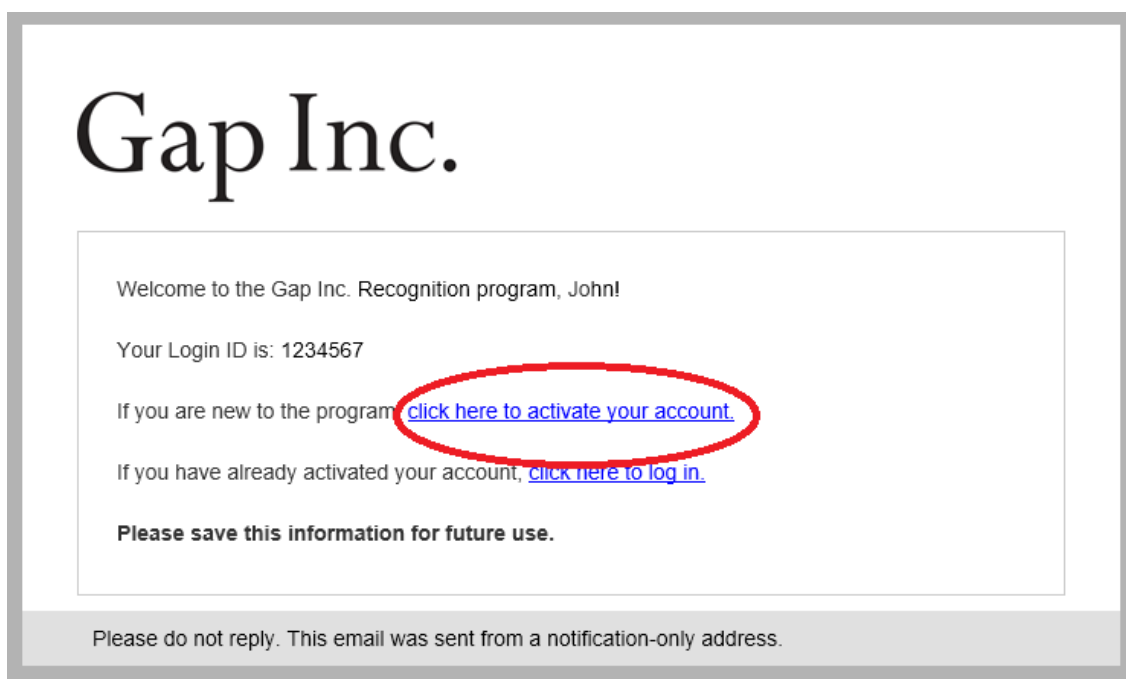

Gap Inc.

8. That link will bring you back to the login page to set your password. This will be your password for the site and will be used for future logins.

9. IF YOU HAVE USED EMAIL CONTACT METHOD, PROCEED TO #12

   TEXT MESSAGE CONTACT METHOD: You will receive a text message with an activation code that you will need to enter in box provided to continue.

10. Enter the code in the box provided, labeled 'One Time Code' (make sure to use capital and lowercase exactly as in the code provided). The code expires after 10 minutes, so if you do not complete the process within 10 minutes, you will need to start the process over and get a new code.

11. Once you enter the code and click submit, you will get the password screen where you can set your password for the site.
